Hi Bladimir,

Thank you for your continued help. LA School Police Officers stopped by UHRC yesterday and requested assistance with a cleanup near a parking lot which their students use.

The following Authorizations cover the area of concern:

Can we schedule this in an upcoming CSLA date for CD 14?

Matthew,

Do you know if outreach has been provided at this location?

Good morning Lt. Tingirides,

I appreciated meeting with Officer Bolor and Salvador Rosales yesterday to discuss transient and trash concerns near Friedman Occupational Center. They were very informative, and it was encouraging to see the system in place for addressing these concerns. The two streets that are at issue here are Grand and 17'th street, and Olive and 17'th street. LAUSD division of Adult education leases the parking area under the freeway at 17'th and Grand for our student parking. At this point, the students have to pass by what is shown in the enclosed pictures (3.3 and 4.4). The school is located one block away on Olive and 17'th st. (See enclosed pics 1.1 and 2.2) I am requesting any assistance that you may be able to offer with cleaning up this area in both short term and long term means. I am hopeful that eventually there be some attempt made at legislation to keep school zones free from this blight, and consequently unhealthy environment. Included in this email link is my supervisor: Sgt. Tarbinian. His cell phone number is 213-505-7408

Thank you,

Len
